EXPLANATIONS

The following records of births, marriages and deaths include all entries to be found in the books of record kept by the town clerks; in the church records; in the returns made to the Middlesex Co. Quarterly Court; in the cemetery inscriptions; and in private records found in family Bibles, etc. These records are printed in a condensed form in which every essential particular has been preserved. All duplication of the town clerks' record has been eliminated, but differences in entry and other explanatory matter appear in brackets. Parentheses are used when they occur in the original record; also to indicate the maiden name of a wife.

When places other than Dunstable and Massachusetts are named in the original records, they are given in the printed copy. Marriages and intentions of marriage are printed under the names of both parties. Double-dating is used in the months of January, February and March, prior to 1752, whenever it appears in the original, and also, whenever from the sequence of entry in the original the date may be easily determined. In all records the original spelling of names is followed and in the alphabetical arrangement the various forms should be examined, as items about the same family may be found under different spellings.

The early records of the Congregational Church, organized in 1685, now the First Congregational Church of Nashua, N. H., cannot be found.

DUNSTABLE

On October 16, 1673, the town of Dunstable was incorporated upon petition of twenty-six proprietors of lands along the Merrimack, Nashua and Souhegan rivers. It derived its name from Dunstable, in Bedfordshire, England, the former home of some of the earliest settlers of this locality.

Jan. 4, 1733, part established as Nottingham (N. H.).

July 4, 1735, part included in the new town of Litchfield (N. H.).

By the divisional line established in 1741, between Massachusetts and New Hampshire, a large part of the original township, together with what is now Nashua, N. H., was included in the latter state.

June 8, 1747, parts of Groton and Nottingham annexed.

Jan. 6, 1752, part annexed to Groton.

June 7, 1753, part of Groton annexed.

June 14, 1754, part of Nottingham annexed.

Apr. 24, 1755, part of Chelmsford annexed.

June 22, 1789, part established as the District of Tyngsborough, and Mar. 3, 1792, part annexed to the District.

In 1793, 1796 and 1803, parts of Groton annexed.

Jan. 29, 1798, and June 10, 1814, bounds between Dunstable and Tyngsborough were established.

Feb. 15, 1820, bounds between Dunstable and Groton were established.

The population of Dunstable at different periods was as follows :—

1765, 559.	1820, 584.
